Since 1979, Ram Marine Services, Inc. has designed, permitted, and constructed waterfront structures in Sarasota, Manatee and Charlotte counties. We take pride in exceeding our clients' expectations with our quality craftsmanship and our dedication to customer service. We look forward to working with you on this project.

Scope of Work: Floating Kayak Platform **$ 6,175.00**

- Secure the necessary permits. Permit and recording fees will be additional estimated at $ 1300.
- Install a 5'x10' floating dock.
- The floating dock will be secured to the bottom using a dual pipe system.
- A dock ladder will be installed on the fixed section of the dock to allow access to the kayak float.

Upgrade to include a 28" x 10' lowered deck section attached to the floating dock section. **$ 1,450.00**
A kayak assist bar and float will be installed to make getting on and off the kayak easier.

The prices on this proposal are good for 30 days.

Respectfully,

Dave Lowell
